Class 3 Information For Parents WB 6th September 2021

Dear Parents,

It has been lovely to welcome the children back into school and they have made a very good start to the term.

Please remember that in Class 3, fruit is not provided so your child will need to bring in fruit (not other types of snacks) for morning break if they would like something to eat at that point.

Please support us by making sure that your child has their trainers in school every day for the daily run. If you are purchasing new trainers, please ensure that these offer good support to your child's foot and are not too soft.

Nessy

If your child has a login for Nessy, we would like to remind you that they should be accessing it for a minimum of 10 minutes a day at home, please. This programme is very helpful for improving spelling and comprehension skills.

Thank you.

Forest School will start for the class this week, it will be on the school grounds for this week and possibly next week too, children will still need to be in FS kit for this.

Thank you.

Home Learning

Go for a walk near your home. Make a list of all of the different types of trees that you see and how many you see of each type. Draw the leaves and any fruit they are producing at the moment. Please use pencil for drawings and use a line guide to keep your writing neat.

Return your sheet by Monday 13th September.

Spellings

Y3: Homophones and near Homophones

Y4: Homophones and near Homophones

Multiplication and division facts and spellings will be tested on **Thursday** this week.

Reading:

Read every night. Read for at least 10 minutes to an adult and then also independently. Make sure that you are paying attention to the punctuation as you read so that your reading makes sense.

Spellings: 2 new words per night from weekly spelling list and 1 spelling per night from individual spelling list.

KIRFS: 2 new facts per night <https://www.oulton.staffs.sch.uk/class-3>

Times Tables: 2 new facts per night/ discussing patterns e.g. all multiples of 5 end in 5 or 0, to work out the 4x table, double the 2x table multiple.
