### Class 3 Information For Parents WB 20<sup>th</sup> September 2021

Dear Parents,

This week we will be learning about having a growth Mindset. We have found that this approach to learning and to mental health in general has had a very useful impact on children, giving them strategies for coping with failure and helping them to develop resilience. If you would like to investigate this in order to support your child at home, you may find the following link useful:

Thank you.

Mrs Dawson, Mrs Potts & Mrs Caswell

#### **Forest School**

This week it will be y4 going to Kibblestone. Please make sure your child is properly equipped for the weather with suitable footwear and a water bottle.

#### **Home Learning**

Find seeds in the garden or near your home. Decide whether how they are dispersed- by wind, by becoming trapped in fur, floating in water, through animals eating and excreting them or by ballistic methods (springing from a seed pod). Come to school prepared to show your seeds and discuss them with your group in Science on Monday.

**Spellings-** These can be found on the website [Class 3 | Oulton First School](#)

Y3: Words with the /ei/ sound spelt ei, eigh or ey

Multiplication and division facts and spellings will be tested on **Thursday** this week.

Hand in hand at Oulton, we strive to follow Jesus' example offering **friendship** and **forgiveness** through a **trusting** and **welcoming community** where all our loved and valued as children of God. We are **thankful** for the exciting and vibrant curriculum which enables everyone to flourish and achieve their God given potential.
